Refrain:

You're not alone, we are one body
You're not alone, we stand with you
You're not alone, your time of suffering is our suffering too
And I know the day is coming when we will be rejoicing anew

1. Many members in this body that we know
Some are great and some are small
Eyes and ears and hands and just a little toe
One God who activates them all... (refrain)
2. One body, Spirit-formed and Spirit-fed
Different genders, rich and poor
A banquet where the least sit at the head
One body broken for the world... (refrain)
3. Look close, you'll see this body's not a pretty sight
Wounds and blemishes and sores
But with the saints of every place and point in time
We are the body of our Lord... oh Lord... (final refrain)

Final Refrain:

We're not alone, we are one body
We're not alone, we wait for You
We're not alone, our time of suffering is Your suffering too
And I know the day is coming, I know the day is coming,
Yes I know the day is coming when we will be rejoicing anew
